Events 2002

January 2002

Mo, 14.01.

ZEI-Europaforum

Dr. Helmut Kohl
Former Chancellor to the Federal Republic of Germany.

"Der EURO und die Zukunft Europas"

Mit dem 1. Januar 2002 beginnt eine neue Epoche des europäischen Einigungsprozesses. Der EURO ist nicht allein die gemeinsame Währung der Unionsbürger, er wird das Bewusstsein vom Zusammenleben in der Europäischen Union als einer Schicksalsgemeinschaft für Generationen stärker prägen als jede bisherige Intergrationsmaßnahme seit Gründung der EWG im Jahre 1957.
Für sein Lebenswerk - die Festigung der Europäischen Einheit und die Gestaltung der deutschen Einheit - haben die Staats- und Regierungschefs der Europäischen Union Bundeskanzler a.D. Dr. Helmut Kohl zum Ehrenbürger Europas ernannt. Zu Beginn des Jahres 2002 ist niemand berufener als dieser euopäische Staatsmann von historischer Größe, über den EURO und die Zukunft Europas zu sprechen.
Sie sind zum Vortrag des Bundeskanzlers a.D. herzlich eingeladen.
