Die Gestaltung der Globalität. Schlüsselwörter der sozialen Ordnung (II)

The Discussion Paper is part of the ZEI project on "Shaping Globality in Europe". Using key words of social order, the contributing academics reflect on how the "global turn" influences the scientific direction of humanities in Europe. In this Discussion Paper, Bonn University scholars deal with the following terms: education, multilateral organizations, pop music and communication.

## COMPARATIVE REGIONAL INTEGRATION

## Regional Integration Observer (RIO)

The first edition of the „Regional Integration Observer“ in the context of the research cooperation between ZEI and the West Africa Institute (WAI) between 2012 and 2016 presents the results of the first meeting of study groups that took place in the framework of the project in October 2012 in Praia, Cape Verde. Further articles deal with EU policy in West Africa, the consequences of the sovereign debt crisis for European integration and Cape Verde´s role in West African regional integration.
